| Section bands, rules | Secondary | Auburn ground on maps only | Page ground |

## TYPE

- Century Gothic — headings and text (web: Didact Gothic)
- IBM Plex Mono — labels, dates, figures
- Regular weight throughout

## USING THE LOGO

- Clear space: one wave's height on every side
- Minimum width: 120 px on screen, 30 mm in print
- Full colour on white; reversed on dark teal or navy
- Don't stretch, recolour, add effects or rearrange

Redrawn in October 2026 from a supplied image of the 2019 Auburn Resources logo. The wordmark uses URW Gothic Demi, the nearest openly licensed match to the original lettering. Replace with the designer's original master artwork when it is available.
